

## **COPYRIGHT RELEASE FOR SPEAKERS/PRESENTERS**

I accept and agree to participate as a Speaker/Presenter at the Sustainable Materials Research Summit 2022 (“SMART 2022”) to be held at the University of British Columbia in Vancouver on August 7-9, 2022. I understand that I am responsible for making my own travel and accommodation arrangements and covering any of these expenses.

I give permission to the SMART 2022 Organizing Committee (“Organizer”) to record my presentation at the SMART 2022 in audio and/or video format.

I grant the Organizer a non-exclusive, irrevocable, unrestricted, royalty free license to use, reproduce, transfer, transmit, publish, and distribute the captured presentation (“Recording”) and all accompanying materials (“Materials”) in print and other formats including but not limited to online and digital publication. The Organizer may crop, alter or modify the Recording and the Materials or combine them with other images, text, audio recordings and graphics.

I understand that the Organizer grants me a non-exclusive right to exploit the Recording in any manner. I understand that I have the right to ask the Organizer to provide me a copy of the Recording.

To the best of my knowledge, my presentation does not violate any proprietary or personal rights of others (including any copyright, trademark, and privacy rights), is factually accurate, and contains nothing defamatory or otherwise unlawful. Any material from other works protected by copyright have been used with the written consent of the copyright owner and I will provide the Organizer with copies of all such required written author consents before the Presentation.

I authorize the Organizer to use my name, photo, likeness and biographical information to promote or exploit the Recording or any derivative work of the Recording.

I acknowledge that I have read this agreement and understand its contents. I verify that I have authority to enter into this agreement and that I will be bound by its terms by signing below.
